

ENGINEERING ASSOCIATE SHALLOTTE, NORTH CAROLINA

McGill serves public and private clients throughout the Southeast. The range and depth of McGill's expertise includes a wide spectrum of engineering services, land planning and recreation, as well as management consulting services. ***We are currently seeking highly motivated candidates for an Engineering Associate in our Shallotte, North Carolina office.***

Shallotte is a great place to live! Located in the 4th fastest growing county in state, Brunswick County is in the southeastern part of North Carolina between Wilmington and Myrtle Beach. Living in Shallotte gives you close access to 5 barrier islands, 30 championship golf courses and many local restaurants and shops. Each portion of the county holds its own distinct characteristics, yet one thing that remains consistent throughout is the collective tranquility and relief from the everyday hustle and bustle. The coastal setting, low tax rates, and high quality of life here help to ensure that the area will continue to grow. You will find a range of tastes, activities and interests to enjoy for you and your family.

Essential Duties and Responsibilities

The Engineering Associate typically performs assignments designed to develop professional knowledge and abilities, requiring application of standard techniques, procedures, and criteria in carrying out a sequence of related engineering tasks. He/she will assist in the preparation of design drawing, plans, specifications, supporting documents and permit applications for private and public client related projects.

Minimum Education and Requirements

- Bachelor's degree in Civil or Environmental Engineering or a related field and at least two years of experience in respective field required
- Engineering Intern (EI) Certification preferred; will consider candidate with ability to obtain EI Certification within 6 months of hire
- Proficiency in AutoCAD – Civil 3D required
- Proficiency in commonly used computer software (Word, Excel, Outlook) required
- Excellent writing and communication skills required

How to Apply

To apply, please email resume to recruiting@mcgillassociates.com. Please list “Engineering Associate – Shallotte” in the subject line of your email.

McGill Associates is an Equal Opportunity Employer. All terms and conditions of employment including, but not limited to hiring, placement, promotion, termination, transfer, leaves of absence, compensation, and training comply with the regulations of Title VI and VII of the Civil Rights Act of 1964. Employees are entitled to work in an environment free from any kind of unlawful discrimination or harassment.

Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States. McGill Associates participates in E-Verify.

McGill Associates conducts background, credit, and motor vehicle checks in compliance with all federal and state statutes. An offer of employment may be extended to an applicant prior to the completion of these checks, but the applicant may not begin work until the completion and approval of the results.

McGill Associates conducts pre-employment, random, project specific, for-cause, and post-accident drug screens in accordance with all federal and state statutes.

McGill Associates will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship. All McGill Associates' facilities comply with the Americans with Disabilities Act. Persons with hearing and/or speech impairments may contact McGill Associates by dialing 711 to access the state Relay Service for TTY/TDD.
